I have called for a report with an estimate for the work and shall take steps to get it executed

2. The work will have to be taken up under the Rural Water supply comprehensive scheme, as the allotment under the labour grant is barely sufficient even to meet the cost of the works already on hand.

3. In this connection, I have to report the following for Board's orders.

Thandas are hamlets of villages inhabited solely by one community viz. Sugalis (or Lambadies). A well sunk in a thanda therefore caters to the needs of the entire village and not to any one section of it. On the other hand, a labour well is intended to meet the needs of a particular community of a village where the community is not treated on a par with other sections of the village, and hence feels the need for special provisions. Though the Lambadies are eligible for certain ameliorative measures available to the scheduled classes, there appears to be no reason why they cannot be provided with a well under the general Rural Water Supply scheme when they form the entire population of a village, if other conditions permit. Some wells in this district have in ~~sufficient funds~~ fact been sunk for the Lambadies under the rural water supply scheme. Sufficient funds are available under the R.W.S.funds and wells for Lambadies can be executed from those funds without any detriment to the interests of other communities. This will relieve the heavy demand on the meagre funds under the labour grant and facilitate a more concentrated effort to meet the needs of other eligible communities who form only a section of a ~~section~~ village. I therefore request to be permitted to take up wells for thandas under the Rural Water Supply scheme.

Please see the reference from the Board of Rev. at pl. cf, the draft order at pp 1-2 above and the note of Fwika Dev. above.

With reference to para 2 of Fwika Dev's note above, it may be noted that the Crimal Tribes Act, 1924, has been repealed in its application to this Province with effect from 29.4.48 and as such 'Sugalis' can no longer be called 'criminal tribes'. Home dept is concerned with the ~~work~~ reclamation work of the Sugali community residing in the districts of Chittoor, Anantapur and Kurnool only. ~~However~~, As members of the so called notified tribes and their families are eligible for help by the Labour dept (now Harijan welfare dept), the Sugalis of Bellary district are also eligible for help
